**Igt (Super Tuscan) l' Burasca 2018 (25€ per bottle)**

50%merlot - 50%sangiovese. Aged 20 months in Italian oak barrels. Is the good wine for a dinner (steak, pork , chicken),but merlot balances perfectly the acidity and astringency of sangiovese, it means that this is the perfect wine for aperitivo, before dinner, or, after dinner, still chatting with your friends around the table, this can be the extra glass of wine before leave.

**Igt (super tuscan) Le Terrazze del Diavolo 2018**

100% malvasia nera aged in clay pots – (50€ per bottle)

This is a particular wine, very good by itself or the perfect combination for seafood.
